2027 WORLD GYMNAESTRADA: MINIMUM AGE EXEMPTION REQUEST FORM

The minimum recommended age for gymnasts to participate in the WG is 10 years of age within the year of the event (example: a gymnast who turns 10 on December 29, 2027, is considered age 10 during the entire year, from January 1 until December 31). Gymnasts younger than 10 may be permitted to participate by GymCan on a case-by-case basis.

The Minimum Age Exemption Request Form is to be completed and sent at the time of the Nominative Registration (November 30, 2026) for the 2027 World Gymnaestrada. This completed form is required for the Minimum Age Exemption to be considered.

Please note, this form **must be signed by the group's NCCP Comp 1 Certified (or equivalent) Coach prior to submitting to GymCan for consideration**. Incomplete forms will not be processed.

As the official coach of the group travelling to the World Gymnaestrada, I am fully aware of and understand the recommendations within Gymnastics Canada's Long Term Athlete Development Model. I have met with the gymnast's parents/guardian and we have considered all aspects of the gymnast's development (psychological, emotional, physical, social) in relationship to their readiness to travel internationally and perform at a weeklong World event. ☐ I am confirming that the underage athlete is developmentally ready to safely take on all of the expectations and responsibilities associated with being a registered gymnast in the 2027 World Gymnaestrada.
