IMPORTANT INFORMATION

Welcome to Summer Camp in Old Ottawa South! We've been working hard all year to plan an amazing summer camp lineup full of fun and adventure. Firehall Camps are developed by experts in the field with decades of experience in children's programming, and delivered by talented and energetic leaders, many of whom were Firehall Campers themselves. With lots of flexibility and choice, summer camp planning is as easy as 1, 2, 3!

1. Look through this guide to see camps that spark your child's interest. Maybe something they're already interested in, or maybe it's something new they've never tried before!
2. Use the full camp schedule for easy planning and to find programs that work with your family's calendar.
3. Head to oldottawasouth.ca/programs to register! Only 50% of the camp fee is due at the time of registration and since we know things can change, refunds are provided - no questions asked - up to 3 weeks before the camp starts.

PAYMENT

We accept payment by credit card (Mastercard or Visa) and debit. We **do not accept cash** or cheque payments. An account in our registration system (Amilia) is necessary to sign up for all programs and workshops. If you do not have an account with us, you will be prompted to create one when registering either online or in person.

CANCELLATIONS AND REFUNDS

To cancel a registration, please email us at info@oldottawasouth.ca or call us at 613-695-6790. Refunds will be processed back to the original form of payment if paid by credit card (MC or Visa) or as an account credit (if paid by debit). Refunds will be provided up to 3 weeks prior to the start date and subject to a $25 administrative fee (this fee is waived if the amount is left as an account credit). Within 3 weeks (21 days) of a program start, refunds will not be issued other than for medical reasons. Documentation may be required.

REGISTRATION & AMILIA ACCOUNT

Camp registration is easy and secure with our Amilia registration software. If you don't have an account, start with your information as the main contact and be sure to include at least one phone number to reach you during the day. Adding alternative and emergency numbers is also required. The email address you provide is not only your account log in but will also be used to send you important program information (changes due to weather, things to bring to camp, etc). Once your account is set up, you can add your children to your account. Please make sure their info is complete and correct including date of birth, and allergies.

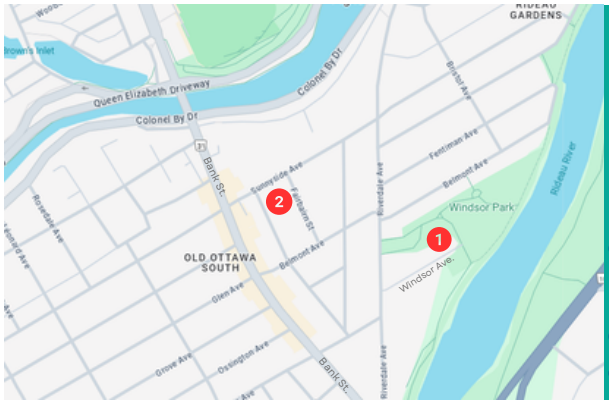

We ask that clients keep their Amilia account up-to-date with current phone numbers, emails, and emergency contacts. You can make changes and add members to your account at any time. If you have forgotten your password, please reach out to the Amilia team for assistance.

WAIT LISTS

If a program is full, it is recommended to add your name to the wait list. You can add your name to the wait list online or in person and will be prompted to do so whenever a program is full. We do our best to accommodate by adding spaces when available or adding an additional program if possible.

CAMP LOCATIONS

Most of our camps meet at Windsor Park (1 Windsor Ave), which offers a great outdoor setting with a field, wading pool, play structure, tennis and basketball courts, all by the river in the heart of the city. The park provides convenient access to parking, washrooms, and summer tents. Campers will enjoy activities around the city, including out-trips, OCTranspo rides, and walking or biking. After the day's activities, all campers return to the park for pick-up and After-Camp care. Some camps use the Firehall for indoor activities, but most start and finish at Windsor Park. Contact us for late drop-off or early pick-up arrangements.

IMPORTANT INFORMATION

INCLUSION & INTEGRATION

We are dedicated to ensuring that all of our campers enjoy the best experience possible at camp. To do this, we rely on the partnership of parents. Please take the time to make us aware of any medical, behavioural, or cognitive differences (diagnosed or undiagnosed) your child may have at the time of registration or in the weeks leading up to camp. This might include social anxieties, communication barriers, the tendency to run or wander away from the group, simply requiring additional "body breaks" or a little bit of extra attention. Making us aware early on will help our staff to arrange for any additional supports or strategies that will help your child succeed. Please also remember that our programs take place in a public park so the ability to stay with the group and follow instructions is paramount.

For questions or to discuss your child's participation in camp, or arrange a meeting with our staff team, please contact us at any time at camps@oldottawasouth.ca

FAQS

My child is not yet 4, but will attend school in September. Can I register them in camp?

No. All campers must be at least 4 years old at the time they attend camp.

I have put my child on a waitlist. What is the likelihood that a spot will open up?

Some of our camps will fill early on in the year but we're committed to making sure that there is space for everyone. With registration starting well in advance, we are able to make adjustments and add programs or spaces where there is demand. The waitlists will move and if a spot becomes available we will contact you right away.

Is the full camp fee due at time of registration?

No. You'll have the option to split the payment or pay it in full. 50% of the total registration fee is due at the time of registration, and the outstanding balance will be processed on June 1st with the credit card used for the purchase. After June 1st, the full balance is due at the time of registration.

What happens if my child misplaces belongings at camp?

We first do our best to return the items to you; having each item labelled clearly with your child's first and last name is very helpful. Any items left behind at the end of the day will be kept at the park and put out on display the next day so keep your eyes out for items you recognize. At the end of the summer any items left will be sorted and if labelled, we will contact you to pick it up and if not, will be donated.

My child will require medication while at camp. What should I do?

All prescription medications (including Epi-Pens) must have the drug store label complete with the child's name, doctors's name, dosage, and directions. Medications should be given to the Head Counsellor in the morning, along with a completed Medication Authorization Form. These forms can be found online in the spring, and will be sent by email before camp.

Will the camp continue in the rain?

Yes! A little rain won't stop the fun, So dress for the weather. We will continue outdoor activities as we have large tents for shelter. If weather conditions become dangerous we will move to our indoor space at the Firehall, in some cases we may add in a bus trip to a local venue. Parents will be informed as soon as possible of these changes.

Do I need to pack a swimsuit and towel if my child does not want to swim?

Yes, please send their swimsuit every day rain or shine. Some of our most fun activities are best done in swimwear and if they change their mind and want to participate in water play they will be prepared. Towels are also great for sitting under the shade of a tree.

How am I contacted if there are changes to my child's camp, such as drop-off in bad weather?

Parents/Guardians will receive both a text message and email if a change to drop off or Pick up location occurs. Since summer weather can change quickly, we keep a close eye and will always contact you in the event of changes as soon as possible. It is important for the account owner to ensure that all contact information is up to date.
