GYMNASTICS SASKATCHEWAN

MENS GYMNASTICS

2027 CANADA WINTER GAMES SELECTION

Canada Winter Games 2027 Selection Procedure

Quebec City, Quebec
March 7th – 14th, 2027
Men's Artistic Gymnastics

Eligibility

Male gymnasts must be a minimum of 12 years old during the year of the Games and a maximum of 19 years old during the year of the Games (2027). Male athletes must be born 2008 to 2015 inclusive.

The Canada Games rules will be those set for the Open category in effect for the 2027 Canadian Championships.

Starting in the 2025-2026 season, gymnasts will be identified as potential 2027 Canada Winter Games (CWG) team candidates. At the 2026 Provincial Championships, gymnasts from P4, P5, Open, Novice, Junior and Senior will be grouped together, and their AA/specific apparatus results will be analyzed by the Sask First HP coach.

Athlete Selection

There will be 6 male gymnasts named to the Saskatchewan Canada Winter Games Team. Two alternates will also be named to the team. There will be 2 separate trial competitions in 2026/2027. Trial competition #1 will count 40%, Trial competition #2 will count 60%.

Team selection will be based on the following criteria:

Top 4 AA (combined total based on the percentages from both trials) will be awarded the first 4 spots on the team.

The final 2 spots and alternates will be awarded to gymnasts that have counting scores for the team (top 4) on at least 2 apparatus. These gymnasts MUST compete on at least 4 apparatus at the trials, but only need their score to count on at least 2. Priority will be given to the gymnasts with the higher counting team score (i.e. a 3rd place counting score for the team would take a spot over a 4th place counting score for the team). If there is a tie amongst those final 2 spots, it will be broken by AA standings. (example; both gymnasts have two 4th place counting scores on two apparatus)

If a team cannot be formed based on the criteria above, these final two spots will be selected by the Sask First HP coach in consultation with the MAG Program Coordinator, MTC and Manager of Technical Programs. This will be based on routine consistency, skills performed and the potential ability of these gymnasts to either place in an event final or contribute to the team score.

Gymnasts medically unable to compete due to injury at one or more of the trial competitions need to submit a petition to be considered for the team. The petition will need to be accepted by the MTC. After it is accepted, provisions will be made that best suit the potential team and the individuals involved.

Canada Games Strategic Plan: Men's Artistic Gymnastics

Male Coach: Markos Baikas
Male Manager: TBD
Dietician: TBD
Mental Performance: TBD
Strength and Conditioning: TBD

December 19, 2026	CWG 1st Trials (40%)
Jan 23, 2027	CWG 2nd Trials (60%)
Jan-March 2027	CWG Team Competition
Feb 2027	CWG Team Training camp

There is an expectation that the gymnasts selected for the CWG team attend the camps and competitions they are selected for. There will be costs associated with attending camps and events for the selected CWG team.
