ONEBADGE & COMPLIANCE REQUIREMENTS

NATIONAL TEAM HANDBOOK

VERSION 1.0 – AUGUST 26, 2026

oneBADGE is GymCan's digital compliance platform used to manage and verify requirements applicable to National Team members, including screening, training, certifications, agreements, forms, and other required documentation.

National Team members are responsible for completing all oneBADGE requirements applicable to their role and ensuring that their requirements remain current.

The National Team oneBADGE Guide is the primary source for current requirements and includes information on:

- Requirements by National Team role;
- Renewal periods;
- Required training and education;
- Screening requirements;
- Forms and documentation;
- Instructions for completing and uploading requirements; and
- oneBADGE support and troubleshooting.

Refer to the National Team oneBADGE Guide for current requirements and completion instructions.
