III.4 MEETING PROCEDURE

Addition:

Meetings of the Board of Directors may be held by tele/video conferencing means. Meetings of the Board of Directors are closed to members and the public, but any person may be admitted at the invitation of the Chair of the meeting. *Board meeting minutes will be posted on the Gymnastics Saskatchewan website no later than two weeks after each meeting.*

Rational:

Member driven organizations should strive for full transparency, except in matters of a confidential nature (ie: staff compensation, Safe Sport investigations, etc). Sharing of the minutes from board meetings creates this transparency.
