INSPIRE & EMPOWER CHAMPIONS IN SPORT AND LIFE

2026-27 GymSask Sanctioned Event Bidding Procedures

All competitive and recreational events (excluding provincial camps/joint training) hosted by Gymnastics Saskatchewan member clubs must be sanctioned by GymSask. Once approved, these events will be added to the events calendar. GymSask clubs can secure dates for the 2026-27 season through a bidding structure.

Sanctioning Fees, Deadlines & Information

Bidding opens: **June 1, 2026**
Final Deadline: **June 10, 2026**

Sanction requests after the final deadline will not be guaranteed acceptance or receive priority in scheduling.

Clubs must submit the Sanctioned Event Request Form along with the $90 sanction fee by the deadline and are required to include alternate dates to reduce conflicts.

Clubs may still submit more than one request if they have all event details finalized. Doing so may help avoid higher or late sanctioning fees. Clubs must clearly indicate which event is their priority event in the space provided on the form. This event will be given priority.

Conflict Management

GymSask will sanction a maximum of two (2) events per discipline, per weekend.

Once a discipline reaches its two-event limit, no further events involving that discipline will be sanctioned for that weekend under any circumstances.

Blackout Dates

Provincial Championships are scheduled for May 7-9th, 2027. Date-change requests into this date will not be permitted. Please keep in mind that the registration deadline for provincial championships will be one month prior (April 9, 2027).

GymSask may publish further blackout dates depending on the competition calendar for each discipline.

Sanctioned Event Modifications

Once your event is sanctioned, it is approved based solely on the information submitted to GymSask at the time of application. Any changes including adjustments to dates, categories/levels offered, or other key details must be submitted in writing to info@gymsask.com prior to implementation. Events that proceed with unapproved changes are subject to a $500 fine.

Event Prioritization

Priority goes to Provincial, National, and Trials events. Technical staff will confirm trial events at a later date, once the calendar is finalized. Host clubs will be notified by GymSask. Please note If your event is awarded as a Trials event, you agree to work collaboratively with GymSask staff. Additional responsibilities may apply, and GymSask will oversee the development and management of the Trials session.

Collaboration

Clubs should work together to prevent date conflicts and support cohesive event planning within the province.

Requirements for Sanctioned Events

Please reference the Event Hosting Guidelines outlined in our Operational Policies, as well as the relevant discipline-specific Technical Regulations.
