GYMNASTICS SASKATCHEWAN

WOMEN'S GYMNASTICS

2027 CANADA WINTER GAMES SELECTION

Canada Winter Games 2027 Selection Procedure

Quebec City, Quebec
March 7th – 14th, 2027
Women's Artistic Gymnastics

Purpose

To select athletes to represent Team Saskatchewan at the 2027 Canada Games (CWG), based on the following priorities, in order:

1) Event Medalist
2) Event Finalist (top 8)
3) All Around Top 8th
4) Team Ranking 4th – 6th

Eligibility

Gymnasts must be a minimum of 12 years old during the year of the Games and a maximum of 19 years old during the year of the Games (born 2008-2015). Gymnasts must meet the Canada Winter Games athlete eligibility criteria. The Canada Games Technical Package can be found HERE

Long List of Athletes
Eligible gymnasts will be named to the long list of athletes on September 30, 2026. Athletes must be a current WAG Sask First tier 1 or 2 member and be currently training and intend to train and compete in CCP 9, 10, or high performance in the 2026-2027 season. Only athletes on the long list will be eligible to trial for the Games.

Selected athletes will be required to sign and submit an athlete agreement to Gymnastics Saskatchewan indicating their intent to participate in the required camps and competitions.

Team Size:
Gymnastics Saskatchewan will name a team of 6 gymnasts plus 2 alternates prior to the Games. Only the team of 6 gymnasts will be outfitted, registered, travel and compete as members of Team Saskatchewan.

Coach Selection

Two certified NCCP Competition 3 coach/mangers will be named, and one must be female. Both must be willing and able to support the needs of the athletes and adhere to Mission Staff directives and requirements in a Games Village atmosphere. Gymnastics Saskatchewan's philosophy is to primarily support the needs of our athletes first and foremost while also keeping in mind that this high-profile event entails additional workload during the planning process, as well as cooperation with Games Council personnel before, during and after the event.

For the past many CWG Games cycles, the CWG coaching team has been led by the Gymnastics Saskatchewan's HP Coach, with one additional coach named after trials based on team composition of club athletes. The CWG Selection Committee will review the needs of the athletes and will determine final selection of two coaches.

Athlete Selection

There will be two mandatory trial competitions.

All gymnasts in the 2027 CWG Long List of Athletes must compete at both trials. All gymnasts will be scored and ranked using the Gym Can rules for the 2027 CWG.

Each day is worth 50% towards final team selection.

Jan 23rd, 2027	**CWG Trials #1 at Rock the Rockies, Calgary AB** • All gymnasts must compete. • Individuals will register and pay through their clubs. • 50% of the final score towards final team selection.
Jan 31st, 2027	**CWG Trials #2 at Marian Gymnastics, Saskatoon SK** • All gymnasts must compete. • Cost TBD. • 50% of the final score towards final team selection. • Training will be available on Jan 30, 2027.

Team Selection

Athletes will be selected in the following order, using the 50%/50% weighted scores from the trials, based on these priorities:

1. Event Specialist
2. The top 5 ranked all around gymnasts will be automatically nominated for Team Saskatchewan, using their average scores from both days of trials.

Event Specialist

As there are no athletes who met the apparatus standard scores below from the 2025-2026 season, all six athletes will be selected by all around scores.

If no athlete fulfills the criteria above, all six athletes will be selected by all around results.

The two alternates will be selected by the next highest all-around scores.

Injury Petitions

If a gymnast is injured for one of the trials, she may petition for alternate competition results to be considered. These alternate results must be either with Gym Can CCP 10 rules or converted to Gym Can CCP 10 rules. Two all around competition scores will be averaged, one of which will be the trials she competed in and the second must have taken place between February 1, 2026 and before the trials.

The Manager of Technical Programs and WAG Program Coordinator will select the second competition to be averaged with the one trials score, with input from the Team Coaches.

Eg) Trials 1 35.5 all around
Missed second trials
CWG Selection committee picks Canadians 2006 score: 34.5
Second Trials score: (35.5 + 34.5) / 2 = 35.0
Trials 1 Score: 35.5
Trials 2 Score: 35.0

Final Score for Selection: 35.25

An athlete who does not compete at least one of the trials will not be eligible for selection to the Canada Games team.

Competitive Category for the 2026-20227

Athletes who compete at the 2027 Canada Winter Games are automatically selected to the 2027 Western and 2027 Canadian Championships team, and do not have to attend trials for these events. They must verify at the Westerns training camp and at Provincial Championships.

Athletes who compete at the 2027 Canada Winter Games and did not compete CCP 10 in the 2025-2026 season may compete in CCP 9 for all other competitions in the 2026-2027 season. Athletes must declare their level on the registration deadline for Westerns/1st trials for Canadians.

Athletes who trial for the CWG team and did not compete CCP 10 in the 2025-2026 season may compete in CCP 9 for all other competitions in the 2026-2027 season, other than the CWG trials.

Canada Games Strategic Plan: Women's Gymnastics

Coach: TBD
Coach: TBD
Dietician: TBD
Mental Performance: TBD
Strength and Conditioning: TBD

Jan 23rd, 2027	**CWG Trials #1 at Rock the Rockies, Calgary AB** • All gymnasts must compete. • Individuals will register and pay through their clubs. • 50% of the final score towards final team selection.
Jan 31st, 2027	**CWG Trials #2 at Marian Gymnastics, Saskatoon SK** • All gymnasts must compete. • Cost TBD. • 50% of the final score towards final team selection. • Training will be available on Jan 30, 2027.
