JUDGES DRAW AND COMPETITION

This section is a description of the judges draw, how it was run (example; were D-judges selected ahead of other E-judges for finals etc.) and to which apparatus/sessions the Canadian judges participating were selected. You could also add anything significant about the competition format (example; was there a mixed session, was there a unique rotation set up etc.)

COMPETITION REVIEW

This section will present any key points or interesting information from each of the sessions included at the specific competition. Delete the sections that do not apply. This might only include the apparatus you are judging, but can include anything you think might be relevant for the community to be aware of (examples; level of gymnasts competing, new or unique skills or combinations, trends or common sequences etc.)
